

## GENERAL NEWS

### Building Update

We have had an update from the Department for Education and Kier that confirms we will not be able to move in to the new buildings over October half-term as they planned. Due to complications around our external works and pedestrian access, we are now being told that the new move target is February, although they are continuing to push for an earlier date.

### Legoland Trip

The busses will depart at 7am, so please ensure that your child is in the Academy for 6.50a.m.

### Parent-Teacher Organisation

For any parent or carer who is interested in joining and establishing our first PTO, we will have an information meeting on November 8 at 7 pm. Please contact the office for more information.

### Uniforms

Please ensure that your child comes to school in full uniform. [Our policy can be found on our website.](#) Any families needing support can contact [Mrs Burder](#) for access to a uniform grant. After October half-term, winter uniform is required. This includes the school jumper over the shirt and tie, as well as the blazer. PE days will feature the school PE hoodie over the PE polo. Additional plain black base layers are also allowed. Students also need football boots and a plain blue or black waterproof jacket.

### COVID

Please be diligent with lateral flow testing on Sundays and Wednesdays. If you need more tests, your child can ask their advisor for replacement kits.

### Beach hut visit

Y7 Trip to Beach next Friday - Please keep your eyes peeled early next week for a letter asking permission for your child to participate in our visit to the beach next Friday. The trip will form part of the culmination of students' first half-term at Livingstone Academy Bournemouth.

### Anti-Bullying Week

Our anti-bullying ambassadors are working hard on some exciting activities and ways to combat bullying. Watch this space for more updates as we get closer.
