

GENERAL NEWS

NEWS UPDATE FOR WEEK ENDING 8 OCTOBER

Dear Parents/carers

It's hard to believe that we are now at the end of our fourth week! Haven't the weeks flown by fast? We are now settling into our routines and learning is continuing apace. Just a few messages for this week follow:

Legoland trip- 20 October

Please read the letter and complete the permission form before Monday 11 October.

Covid 19

Please remember that all students should be testing every Monday and Wednesday. Any child needing more LFT please come to the main office.

PE

Whilst we appreciate that football boots were not on the original PE kit list, however as we are continuing in our temporary accommodation for longer than we had anticipated this means that we do not have access to our indoor gyms and all PE lessons will continue at Meyrick Park through the winter. In view of this and with safety in mind we would recommend football boots to ensure that your child is safe whilst taking part in PE and we also highly recommend a waterproof coat.

Lunches

Each week the menu for the following week will be published on our website – the details can be found on our website under the "Parents Information" tab.

Free School Meals

If you believe you are eligible to receive free school meals (and the additional support that offers for uniform, equipment, trips etc) please complete the link below. If you would like any support with filling in this application, please email [Laura Burder](mailto:Laura.Burder).

Anti-bullying Ambassador Training - Diana Award

On Tuesday 20 students undertook anti-bullying ambassador training. This training equips students with the tools needed to tackle bullying behaviour head on and create a safer, kinder school community. The program is student-led, with our students leading their anti-bullying campaign as Anti-Bullying Ambassadors. Watch this space to learn about some of the campaigns and initiatives that they are currently working on!

Year 7 Trip to Legoland

20 October 2021

Half Term

25-29 October 2021

GENERAL NEWS

Extra-Curricular Clubs

Football/ Netball - these clubs started Monday and Tuesday this week (both clubs run on both days). There are still spaces and the club will be free until half-term. If your child would like to sign up, please email the office. Students must attend football/netball on the same day they do P.E. Students will need to be picked up or make their own way home as there is no coach return from Meyrick Park.

Tennis - this started last Friday. Please sign up here if you would like to join. Students must make their own way to West Hants Club after school.

Rugby - postponed until sufficient interest (minimum 10 students required).

Internal Clubs - continue as normal. Free of charge. Please email the Office if you would like to join.

New Parenting Sessions

Parenting in the digital age is challenging, even for parents who feel like they have a good handle on 'technology.' This series of practical workshops is aimed at helping us navigate the ever-shifting landscape of keeping kids safe and healthy in an Internet-connected space. We will cover such topics such as online learning, screen time, device and online safety, understanding what your kids are up to online and setting good boundaries, orientation and introduction to common platforms and apps, gaming, self-image and mental health awareness for pre-teens and more! You don't have to commit to the whole series (5 workshops from November 3 through December 3) you are welcome to attend those of most interest to you.

Session 1

November 3rd 7 pm to 8:00 pm

Ascham House

Parenting the Plugged-In Kid: A no-hype introduction about your kids and technology use

Please RSVP to kelms@livingstone-aspirations.org with the number of guests.
