Year 2 Visit to Bournemouth Oceanarium: Monday 16th October 2023

Dear Parents/Carers,

We are delighted to announce that a visit to the Bournemouth Oceanarium has been arranged to take place on **Monday 16th October** for children in **Year 2**.

Within our science learning this term, Year 2 will be learning about Living Things and their Habitats with a particular focus on food chains and animal and plant defences. During our visit, your child will be taking on the role of an aquarium scientist and learning about how animals and their offspring survive, particularly how they avoid being eaten!

We will leave the Academy at approximately 8:45am and walk to Bournemouth Oceanarium. We expect to return to the Academy at approximately 11:30am for lunch as usual. All timings of the school day will remain the same. Your child will need to be in school uniform on this day. Please ensure that your child has their water bottle and a coat.

In order for us to cover the costs of the trip, we ask for a contribution of **£9 per child**. Please note that the trip will not be able to go ahead, if the relevant funding cannot be met. **Payment can be made via ParentMail** and payment is to be made by **Wednesday 11th October 2023** please.

You will be asked to provide consent when making payment via the ParentMail app.

We are so excited to have a great day out consolidating our science learning.

As always, if you have any queries or concerns, please do contact us.

Yours sincerely,

Miss Carolan
