

Monday 18<sup>th</sup> September 2023

Dear Parents and Carers,

To support our vision of ensuring we best serve our students for successful futures at Livingstone Academy Bournemouth, it gives me great pleasure in opening up a broad and diverse extra curricular offer for all students. These opportunities aim to enhance students' individual interests and talents whilst supporting our young people to flourish whilst living by our guiding principles of self worth, engagement and purpose.

I am sure that you will join me in thanking our excellent staff body for dedicating their time to run these extra curricular clubs for our students. The list of clubs available for this half-term are available on the reverse of this letter and generic details are outlined below.

#### **Timings**

All extra-curricular clubs will run from 1500 until 1600 unless otherwise stated.

#### **Arrangements**

Please ensure suitable arrangements are made for your child to return home following any extra-curricular provision at the academy.

#### **Costing**

Please encourage your child to make full use of the academy's newly devised provision, as all clubs are offered with no charge for students.

N.B. This does not include clubs run and booked directly through external providers.

#### **Signing Up**

If your child would like to join a club, then please log into your Arbor Parent App where the clubs available for this term will be listed for you to select.

Please ensure you sign your child up for the clubs they wish to attend. If students are not signed up for the club, they will not be able to attend.

#### **Club Suggestions or Interests**

We as an academy will utilise upcoming and ongoing student voice surveys to evaluate the provision which best serves our students and try to accommodate this within our enrichment offer. We view this as a powerful way of valuing our students' opinions, passions and varying interests.

**Attendance at Clubs**

Staff will take attendance registers at all clubs to account for all students.

If through our monitoring and tracking of extra curricular clubs, it becomes clear a student has signed up for a club and not attended over a fortnightly period, we will remove the child and reallocate the place on a first come first served basis.

We will review our provision and initial offer at October Half Term and communicate with parents/students any necessary tweaks or changes to the outlined offer.

If you require any further information, please do not hesitate to contact us.

Kind regards

Mr J Tewkesbury  
**Assistant Principal**
