

29.09.2023

Dear Parents/Carers,

Thank you for your continued support and involvement with our school. We are committed to fostering creativity and innovation among our students. In our upcoming textiles projects, we will be giving the children the chance to enhance their art and textile skills.

To make this project a reality, we kindly request any support you can give in the form of textile material contributions and would be so grateful if you could help. If you have any of the following unused textiles materials you are willing to donate, it would greatly aid us in achieving our project's objectives:

Fabric scraps, ribbons, wool, buttons or any other small textile-related items.

Please **NO** bed linen, curtain fabrics or clothes donations.

By using your textiles donations in this manner, we hope to also instil a sense of responsibility towards the environment whilst nurturing their artistic talents.

We assure you that your contributions will be used exclusively for educational purposes and students in all year groups will benefit in future years. Your donations will be greatly appreciated by both the students and the school community.

If you would like to contribute, please drop off the materials at the Primary school office.

Thank you for considering our request. We appreciate your continued support and look forward to your positive response. If you have any questions or require further information, please do not hesitate to contact the academy.

Kind Regards

The Livingstone Academy Team
