Tuesday 02.01.2024	INSET Day - Academy closed to pupils
Wednesday 03.01.2024	Welcome back after Christmas

Key messages:

SparksReader

Following correspondence last week regarding SparxReader, we are now up and running and

have been blown away by the fantastic start our students have made with the programme. Mrs Burder will be spending the first couple of weeks monitoring student progress and ensuring all students are at the suitable level for their ability. We have noticed that the programme encourages slow and careful reading, so if your child is struggling in gaining SRP points, please encourage them to take their time or read aloud to you. Mrs Burder will also be reflecting on whether the set points total is appropriate, so this may be subject to change. If you would like to contact Mrs Burder regarding your child's progress on SparxReader, please feel free to email her. Thank you for encouraging your children with their reading.

SparksMaths

Each week students are set a weekly Maths homework via SparksMaths. Please ensure that you are supporting and encouraging your child to complete their weekly homework tasks / activities. If your child is struggling the Maths team are running support sessions at lunchtime in the Maths area.

REMINDER: Free School Meals (FSM)

Parents who think they may be eligible should apply directly via the link below. If you are eligible your child will be entitled to a free daily hot meal throughout their time at the school, £50 each year to spend on trips, music lessons or uniform and will be given a number of free reading books to keep during the year.
