We are very excited to welcome Escapeline to our academy on Tuesday, whereby students will take part in various workshops to raise their awareness. In addition to this we are excited to offer a parent information evening where families can learn about: What is child exploitation and how does it operate in our area? What are the methods used to groom children? What are the signs a child is being groomed or exploited? Support available for both children and their families. We hope that you can make this parent evening and look forward to seeing you there.

What Parents and Carers Need to Know about TikTok

We are seeing a concerning increase in the online content our students are accessing via the platform TikTok. We have [linked](#) an online safety guide which highlights a number of risks such as age-inappropriate content, dangerous challenges and contact with strangers.
