

Friday 13th October 2023

Dear Parents and Careers

Next week (week commencing 16th October 2023) all of our year 7 students will be taking part in their first house competition. This event will take place in their PE lesson and will allow all students the opportunity to contribute to their house as well as individual attainment points.

Our first event is cross country and students will be walked down to Meyrick Park to take part in the event. The course is just over 1 mile in distance and takes part on a range of terrains.

We would like to remind all students to ensure they have everything they need with them on their scheduled PE days. Inhalers and other medical supplies are vital for all lessons but particularly when going off site therefore, please ensure these are clearly marked with your child's name on.

It is likely to be muddy so please consider this when thinking about footwear and ensure the children wear white socks for PE. Students may wish to bring a base layer to wear under their PE polo top or a lightweight jacket to run in as we are noticing cooler and wetter weather.

This event will take place in the rain and will only be rescheduled when the weather becomes unsafe and in the event that the rain is particularly heavy, we will ensure students get changed back into their dry uniform before coming home. We would advise students to bring in an additional carrier bag for wet clothes.

We really look forward to this event taking place and will ensure to provide updates on the winners of our first house competition.

Kind regards

The PE Team
