

01.11.2023

Dear Parent/Carer,

You may be aware that there is a yellow weather warning in effect. This means heavy rain and very strong winds associated with Storm Ciarán are likely in our local area this evening and into tomorrow. Livingstone Academy, along with many other local schools **will remain open as normal**.

However, we will be **monitoring the situation closely** this evening and will only make the decision to close the academy as a last resort if it would not be safe to open. We aim to **communicate any changes no later than 7:30am**.

As there may be transport disruptions in the morning, please speak to your child about allowing themselves enough time to travel safely to the academy for a normal start. Gates will be opened at 8:15am as normal.

Thank you for your continued support.

Kind regards,

Mr Loren Tharme
Principal
