NHS Careers Untapped - 6 December 16:30-18:00

Please find [linked](#) the details of an NHS Careers Untapped webinar taking place next week that might be of interest to you and your child.

NHS Careers Untapped, developed by 10 London trusts working in partnership and supported by the Talent for Care and Widening Participation programme in the London region, showcases clinical and non-clinical careers in lesser-known roles that students may not have heard of in the NHS using videos, podcasts and webinars.

This project is important in supporting young people to learn more about careers in the healthcare sector in an accessible, equitable and flexible way to widen participation. It aims to encourage and promote awareness of careers in healthcare to all young people, thus contributing to the development of our future NHS workforce.
