Key messages:		
Assemblies	This week all children have participated in a road safety workshop delivered by BCP, remembering to 'stop, look and listen' as they cross the roads around us. We have also been celebrating diversity whereby children have discussed similarities and differences between ourselves and others in their classes.	
Uniform	On Tuesday, we had our best smiles at the ready during our school photograph day! It was really positive to see the majority of children attending school wearing the correct school uniform, looking very smart and remembering their blazers and ties. Please can we remind you that this is an everyday standard and expectation across the Academy. Thank you.
