## Lunchboxes

### Packed Lunches

Please can we remind you that home packed lunches should be made as healthy as possible. They should not include sweets, chocolate or fizzy drinks. Also, with a number of children (and staff) in school with food allergies, we ask that they do not contain nuts for example peanut butter, Nutella etc. or sesame seeds. Please take a look at the following website for ideas for healthy lunchboxes: <https://www.nhs.uk/healthier-families/recipes/lunch/>

<p><b>Promoting positive Self-Regulation strategies at home</b></p>	<p>Self-regulation is a really important area of learning for Primary children. Have a look at this following guide, written by Hannah Baker, Co-CEO at Partnership for Children, exploring the concept of self-regulation and its importance. It explains: the science behind self-regulation within the context of key developmental milestones for children in this age range; how to develop strategies and techniques for promoting self-regulation and the vital role that you as teachers at home of adult-led play can have in modelling and guiding self-regulatory skills (with plenty of example activities).</p> <p><u><a href="#">Self Regulation Booklet (595x841) - Frontify (annafreud.org)</a></u></p>
<p><b>World Book Day</b></p>	<p>We will be celebrating world book day on Thursday 7th March so please start thinking and getting creative in preparation from our WBD dress up day. A letter is soon to follow with further information!</p>
<p style="text-align: center;"><b>Wrap Around Care New Activities and Facilities</b></p>	
<p>As well as the After School Wrap around care, Premier are looking forward to starting a breakfast club at the school starting after half term, our doors open bright and early for children to get ready for the day ahead. The included breakfast is healthy and nutritious, providing your little ones with the best possible start to the school day. With foods that are rich in grains, fibre, and protein, and low in added sugar children benefit from a boost to attention span, concentration, and memory - and of course, all dietary requirements are catered for.</p> <p style="text-align: center;">You can book your space for breakfast club here: <a href="https://www.premier-education.com/parents/venue/courses/24246-870783/?back=1&amp;school=livingstone">https://www.premier-education.com/parents/venue/courses/24246-870783/?back=1&amp;school=livingstone</a></p> <p>We are also running a half term holiday camp at the school. These sessions feature a huge selection of games and activities. They are perfect for children who like to be active and on the move, without playing traditional sports.</p> <p style="text-align: center;">You can book your space here: <a href="https://www.premier-education.com/parents/venue/courses/24246-874421/">https://www.premier-education.com/parents/venue/courses/24246-874421/</a></p>
