Online Safety - TikTok

TikTok is a free social media platform that lets users create, share and watch short videos ranging anywhere from 15 seconds to 10 minutes in duration. The app gained notoriety for its viral dances, trends and celebrity cameos and can be a creative, fun platform for teens to enjoy. Now available in 75 languages, it has more than a billion active users worldwide (as of spring 2022) and is most popular with the under-16 age bracket. In fact, a 2022 Ofcom report found TikTok to be the most-used social media platform for posting content, particularly among young people aged 12 to 17.

In the [linked guide](#), you'll find tips on avoiding potential risks such as age-inappropriate content, dangerous challenges and contact with strangers.

REPEAT MESSAGES / REMINDERS:

ParentLine confidential text messaging service

ParentLine is a confidential text messaging service providing parents and carers of 0-5 year olds in Dorset to seek advice from our health visiting team about their child's health and development via text message.

Parents and carers can seek advice about a range of issues such as breastfeeding, bottle feeding, weaning, sleep, toileting, minor illness, behaviour, parenting and more.

ParentLine runs 9am-5pm, Monday to Friday (excluding weekends and bank holidays) with a ParentLine practitioner responding to messages within one working day. If a text is sent outside these hours the parent/carer will receive an automated message with advice on where to get help if they require it urgently. This new messaging service is being provided in addition to the current health visiting service offer.

Text 07312 277162 for confidential advice and support from a member of the health visiting team

ParentLine is not an emergency service, for urgent medical attention contact your GP, 111 or 999.

Home Learning

A reminder following communication sent last term, our Home Learning strategy is now up and running. Please encourage your child to complete their goals in Sparx Reader, Sparx Maths, Tassomai Science and Tassomai English. You should receive emails from both Sparx Maths and Tassomai to update you on your child's weekly progress- the Sparx Maths email has a link to a portal which allows you more insight into both Sparx Maths and Sparx Reader. We appreciate your support in helping the pupils to access these platforms. A suggested Home Learning timetable was included in the original communication, which may help you and your child navigate this. Home Learning Club runs on Mondays after school and you may wish to encourage your child to attend this support.

Rewards Trip - Spring Term

The upcoming Spring Rewards Trip will be based upon students having excellent attendance, displaying positive behaviour and their overall attitude to learning throughout the given dates. 15th January (last 3 weeks of half term) up until 15th March (first 4 weeks back of half term). The trip will run in the week beginning 25.03.2024.
