Parent Survey: <https://forms.gle/jecJrrlw2bla5MPZ7>

Please complete this short parent survey so that we can constantly evaluate our practice and respond to your feedback. If you ever have a more pressing or specific concern, we would always urge you to communicate directly with us so that we can resolve it effectively.

Attendance

It can be difficult to know whether your child is too ill to attend school. NHS [guidance](#) is clear that it's fine to send them in with a minor cough or common cold, provided they don't have a temperature. If in doubt please encourage your child to attend, we can look after medication for them if they have ailments such as period pains, headaches and in the event that your child becomes unwell while at school, we have a careful monitoring system in place and will not hesitate to contact you and arrange for them to be sent home.

Punctuality

We are starting to see an increasing number of students arriving late to the Academy. Please ensure you are encouraging your child to develop healthy morning routines to ensure they are in school on time. Our gates open at 8.15am and all students need to be in lessons for 8.30am start.

Uniform

As we are coming to the end of this half term, we would like to remind you about our [uniform expectations](#) for the upcoming term and kindly request that you ensure your child has the necessary uniform items in time for their return to school after the half-term break.

Please take this opportunity during the upcoming half term break to check whether your child has outgrown their current uniform, or if any items are in need of replacement. It is essential that they have the correct items in order to comply with the uniform policy from the first day of the new term.

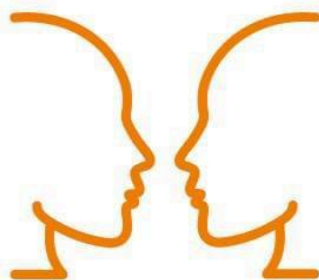

We understand that this may involve extra cost, and we appreciate your efforts in making this investment to support your child's education. Any families struggling to pay for the replacement of outgrown items or if you have any questions or require further clarification on the uniform requirements, please do not hesitate to contact our school office.

REPEAT MESSAGES / REMINDERS:

ParentLine confidential text messaging service

ParentLine is a confidential text messaging service providing parents and carers of 0-5 year olds in Dorset to seek advice from our health visiting team about their child's health and development via text message.

Parents and carers can seek advice about a range of issues such as breastfeeding, bottle feeding, weaning, sleep, toileting, minor illness, behaviour, parenting and more.

ParentLine runs 9am-5pm, Monday to Friday (excluding weekends and bank holidays) with a ParentLine practitioner responding to messages within one working day. If a text is sent outside these hours the parent/carer will receive an automated message with advice on where to get help if they require it urgently. This new messaging service is being provided in addition to the current health visiting service offer.

Text 07312 277162 for confidential advice and support from a member of the health visiting team

ParentLine is not an emergency service, for urgent medical attention contact your GP, 111 or 999.

Rewards Trip - Spring Term

The upcoming Spring Rewards Trip will be based upon students having excellent attendance, displaying positive behaviour and their overall attitude to learning throughout the given dates. 15th January (last 3 weeks of half term) up until 15th March (first 4 weeks back of half term). The trip will run in the week beginning 25.03.2024.

Food Vouchers

If any families are struggling to put food on the table, please contact our Safeguarding Team in confidence. We may be able to help for example with the issuing of food vouchers.
