

## **Livingstone Academy Bournemouth: Parent Forum**

In order to involve our parents and carers in decision making, we have established a Parent Forum. The Parent Forum is a partnership between parents and the school.

It is a valuable way to share ideas, views and make suggestions for improvement. The Parent Forum aims to be representative and inclusive of all parents and carers in the academy community, and the Forum allows those involved to learn more about the academy and to network with others in the community.

The parent forum will meet termly to discuss various aspects of academy life. If you have a keen interest in how our academy grows and feel like you can offer support and ideas, we would love to see you there. If you would like to attend, please confirm your attendance using this short Google Form: <https://forms.gle/LDb3FbCfpD6MnAZe7>

Please see below for the logistics and agenda of our first meeting.
